

MILAN SUVAJAC

FRONTEND DEVELOPER

PROFILE

As a junior frontend developer with a passion for personal growth and a willingness to learn, I am currently seeking a job or internship opportunity to gain practical experience in the field. Despite having no prior professional experience, I have a strong foundation in frontend technologies such as HTML, CSS, and JavaScript, and am eager to apply my knowledge and continue to learn and develop my skills.

I love learning new technologies, meeting new people and solving problems that this profession brings on every day basis. As a quick learner and a dedicated team player, I am confident that I can make a valuable contribution to any organization. I am excited to begin my career in the tech industry and am eager to be a part of a dynamic and innovative team.
